UNSOLD LOTS

There is an unusually high proportion of scarcer items left unsold in this sale. This is probably because very many of the bids were concentrated on just three items (Lots 41, 49 and 69). Therefore there is now an opportunity to obtain some scarce covers and cards, (For example lots 21, 30, 65, & 72), as well as other interesting material at 10% below the estimated price.
